Private Lessons are a great way to give your daughter the opportunity to work one on one with a skilled coach who can advance her game. The lesson cost is \$65.00 per hour which includes the court time. Times vary each week, and can be altered to help meet your needs. You do not need to play for Glass City to access private lessons. If you are interested in lessons please call Dana Hooper at 419-402-4121 or email her at [dahooper@roadrunner.com](mailto:dahooper@roadrunner.com).
