PROGRAM MISSION

The Fury mission is "Kids First, Winning Second." Our goal as a staff is to teach the game through skill work, hard work, and team work. We are dedicated to using our experience to help kids achieve their goals and develop at their pace.

We have a top-of-the-line staff including coaches that have been college coaches, played over-seas/in college, current high school coaches, and some of the top area individual trainers. There is a coach that can help your player grow and develop.

Our staff works together to be organized, prepared, and work hard for every family. We hope every player can walk away from every experience feeling that they gained skill and knowledge of the game to make the ready for their school teams or achieve their goals.

We also work hard to provide a family atmosphere where everyone feels the teamwork. We are grateful that players have taken the time to work with us and hope to see you all at the Paragon soon! We will strive to be better and **GO BEYOND!**

FURY SUMMER PROGRAMS

HEATING UP YOUR GAME

The Fury staff has put together a summer full of camps, clinics, clubs, and training that will be sure to “heat” up your game for the next basketball season. There is something for players of all ages; from the beginner to the advanced. We are also adding in speed, agility, and Vertimax training for athletes.

Coach Dennis Hopson, director of Fury training, is the master of the Dr. Dish shooting program. Players can receive 1-on-1 skills training with Coach Hopson. We aim to create a hardworking culture, but also one of G.E.T.: Gratitude, Encouragement, and Teamwork.

We offer a variety of player trainings, a summer league and summer tournaments.

Please visit glasscityathletics.com for details on these additional programs:

- Jr. Ballers Summer League - Play on a Fury Team or bring your own team
- Lamar Rice Game Speed Camp
- Dennis Hopson Summer Camp
- Dennis Hopson Slam & Splash Tournament

Save the Date: Steve Mix will be coming back to Toledo on July 16 - 17 to host a camp at Glass City Athletics. Visit glasscityathletics.com for more information.
